

Current Individual User

User: Hey! I need to book the movie Titanic.

(intent: request, slot: Titanic)

Agent: Sure, what time would you like the movie start?

User: 4:00 tomorrow afternoon.

(intent: inform, slot: 16:00 tomorrow)

Agent: Starting at 16:00 doesn't have a theater release, are you considering a 16:30 start?

User: Yes, Any theater recommendations?

(intent: request, slot: Cinema)

Agent: According to your location, the Star River Cinema at 8 Meishan Avenue was chosen for you?

User: Okay.

(intent: confirm answer, slot: Star River Cinema)

Agent: What action will the agent execute?

(The agent may ask the user how many tickets he/she needs according the successful dialog history)

Successful Dialogue History

User: Hey! I need to book the movie Titanic.

(intent: request, slot: Titanic)

Agent: Sure, what time would you like the movie start?

User: 5:00 tomorrow afternoon.

(intent: inform, slot: 17:00)

Agent: Alright, I found Star River Cinema, Wanda Cinema, and Jinyi Cinema for you. Which one do you prefer?

User: Star River Cinema.

(intent: confirm answer, slot: Star River Cinema)

Agent: Sure, I've picked that cinema for you. How many movie tickets would you like?

User: 2 tickets.

(intent: inform, slot: 2 tickets)

Agent: Sure! I've booked two tickets for you in Row 5, Seats 7 and 8. Does that sound good to you?

User: Okay, thank you.

(intent: thanks, slot: None)
